NPBS designed the Sojourner Solar program to:

***"help homeowners afford and enjoy the benefits of solar power."***

The program helps eligible homeowners purchase a solar system and reap all the economic benefits of owning a solar panel system, including any available

***"federal and state income tax credits and incentives."***

## SOJOURNER SOLAR PROGRAM HIGHLIGHTS

It's yours now! The Homeowner will OWN the panels, not lease.

Help conserve energy, lessen your carbon footprint, and lower monthly energy bills.

Funds available on a first-come, first-serve basis upon loan approval from NPBS.
